Notes from your Pastor

Reverend Sara Bainbridge

As many of you have already heard, I am leaving the church as of July and you will have a new Pastor.

Many of you may not know that in the last 3 months I have had suspected thyroid irregularities and then ended up in the hospital with colitis. Thanks be to God, none of this has been a return of cancer. But these instances have caused me to reevaluate where God is calling me at this time in my life. I had thought to be here for several more years, but after many hours of prayer (and non-sleeping), Bill and I have decided that it is best for the church and for me that I retire. Sometimes it takes God hitting us over the head with a base ball bat before we will listen.

I have been hit.

My thrill is I am leaving a church prepared for the future. With the demographic changes of Bella Vista, especially around our church, we have staffed to reach forward for bringing God's continuing message of redemption, not only to our cherished retirees, but now also for younger families, singles and children. Did you know we are live streaming our traditional service and will soon be live streaming our contemporary service? Have you been downstairs to look at the children and youth areas?

My sadness is I am leaving a beautiful congregation steeped in missions with graciousness now on the path of new possibilities. Each one of you has been called by God to be here at this particular time in history. Remember: "*God has not given us a spirit of fear but a spirit of power and love and self-discipline.*" (2Tim 1:7)

Please keep Bill and me in your prayers as we discern God's direction for our lives. We will keep you in our prayers as you proceed onward in Christ's ministry and love.

Many Blessings,

Your Pastor, *Sara*

EVERY MEMBER IN MINISTRY

EVERY MEMBER in MINISTRY to be REVAMPED

Over the next few months a focus group will meet to evaluate the strengths and opportunities of our current EMIM program. We began this program in 2006, and with a little tweaking here and there, it has stayed pretty much the same. It is time to take a look at this program in light of our congregation, it's needs, and be prepared to make changes that will make it a better fit.

There is no doubt that the original concept of the program is solid; every member of the church is expected to be in ministry not just for the growth and life of the church, but for the spiritual growth and life of each person. Any of these ministries are such that you get much more than you give. Are we offering the right opportunities? Do we need to let some of them go? How does this program, in action, help to achieve our Mission Statement?

The group will meet once a month for at least three months. The first meeting is scheduled for Tuesday, May 17 at 6:30 p.m. in the Chapel. If you would be willing to serve on this focus group or if you have ideas that you would like the focus group to consider just e-mail Jan Lowe your thoughts at jan@lovelearnlead.com, or give her a call at 855-1158, or her cell phone at 531-0381.

TECHNOLOGY in WORSHIP

Technology is an amazing thing. Almost any type of program is available on our television sets with just the click of a button. You can even find our 8:00 a.m. worship service broadcast on the Bella Vista Channel (Cox channel 222) every Sunday morning at 10:00 a.m.

None of this would be possible without the dedication of our video technicians. Bob Toney has been the mainstay of this ministry for many years. Thanks to Bob's dedication, our 8:00 a.m. service has been video taped and taken to Bella Vista television station every Sunday morning. Members of not only our congregation, but others in our community, have been able to share in our worship services.

As technology has advanced, so has our ability to share our worship services in other ways. Our Director of Media Ministries, Eric Troy Jorgensen, has shared his skills and you can now find our worship services, Lenten services and other special programs on our YouTube Channel (<http://www.youtube.com/user/FUMCBV>). You can even "friend" us on Facebook (First United Methodist Church of Bella Vista.)

As of April 17, our Traditional Worship service is broadcast live online every Sunday morning at 8:00 a.m. The video broadcast, referred to as a "Live Stream", is viewable world-wide directly on our website, www.LoveLearnLead.com. Broadcasting live online is 100% free since the video streaming service we're using is supported by occasional advertisements. As we experiment with this feature, we hope to provide a live video stream of the Contemporary and additional Traditional Worship services in the near future.

This is truly an example of how new technological advances provide a means for us to reach out globally to "equip generations to become spiritually maturing Christians."

MISSIONS

Pak-a-Sak

May 16, our collection of food will go to Youth Bridge. The home provides safety, shelter, and counseling for troubled youth in Benton County. As all of you are aware, teens have healthy appetites. The shelter is in need of all types of food especially, cereal, canned fruit, soups, pasta products, and peanut butter. The agency's we serve appreciate your generosity.

Thank you for the outstanding support for Pak-a-Sak in April. Your generosity in April surpassed our collection totals for many a month! The NWA Women's Shelter was so thankful for your contributions as their cupboards were literally bare! Thank you!

If you missed picking up one of the handy Pak-a-Sak refrigerator reminders, more are available in the church office.

Mission of the Month Mountain of Food

The Mission of the month for May is Mountain of Food. "Order forms" will be placed in the Sunday May, 1 bulletins. You can choose to "order" as many items as you wish from the form - or if you'd rather, just make a cash donation to the project.

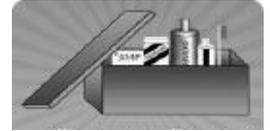

As orders are turned in and funds collected, you'll begin to see the cases of canned goods and staples build the "mountain of food" outside of Becker Hall.

At the end of the month, the food will be distributed to Helping Hands, The Arkansas Rice Depot and Souls Harbor for their food banks. Last year, we were able to supply 260 cases of food with a value of \$4,440.90.

Shoebox

Deliveries

We would like to thank Bobby Cox and Bud Henke for delivery in March. April deliveries have not been made as of April newsletter deadline.

Sunshine Sacks

Thank you to members of Martha Circle who continue to pack Sunshine Sacks each month. It is such a big help! Welcome to James and Vicki Forrest. They have volunteered to deliver Sunshine Sacks to Cooper Elementary School each month. Thank you, thank you James & Vicki. The number of eligible students climbed to 67, we are not happy to report.

Work Day

A work day was held in April. Thank you to Diane Miller, Julie Fischer, Sue Prather, and Earl and Betty Cummings for sorting and packing miscellaneous items for Gravette Schools, Mother's Day bags and items for the troops. Also, 198 wash cloths were wrapped for shoe boxes.

Baby Boxes

Phoebe Bader and Pat Fox met with us in March to pack 30 baby boxes. We were out and they restocked us for future deliveries.

Needs

Large bars of soap and toothpaste for Youth Bridge. Also feminine products and disposable razors. *Please hold travel size conditioner for now.* We have a large amount and do not want excess to not be used. Thank you.

As always in His service,
The Shoebox Ministry Team

JESUS' PARABLES OF GRACE

The Golden Links Sunday school class will be studying the parables using this book by James Moore.

In his book, we will examine six of Jesus' thought-provoking parables, parables of grace, to see if we can find ourselves and God's truth for us in these parables. We will find out why did Jesus use parables, and how do we unravel them discover their messages.

We would welcome anyone who wants to join us for one or all of these lessons. We meet during Sunday school time in room 23. Dixie Young is the lead teacher.

FELLOWSHIP

The MM Shepherd Group will be going to the Bella Vista Women's Chorus Concert on May 13 at 7:00 p.m. at the Community Church. The tickets are \$8.00. Contact Julie Fischer for more information and tickets. 903-3316.

YOUNG ADULTS AND YOUNG FAMILIES

All young adults and young families are invited to the chapel immediately following the contemporary service on Sunday, May 1 to discuss and plan our summer and fall activities. Bring your brainstorming skills and your willingness to serve your church.

SOARING SOLOS Fellowship Ministry

We are in the process of reviving the SOARING SOLOS MINISTRY. We started it about two years ago but it didn't get off the ground. We have more single adults in our church who are asking for a small group to connect with. We really need your input as we put this group together to meet special needs of folks in our church.

This new ministry can have at its core a Sunday School class or a spiritual growth class. Participants are offered support and encouragement as they navigate the single life. We are targeting the "younger-older" single adults in the age bracket from the 50's—70's.

From the core group, fellowship will include meeting in homes, dinners out, movies and plays, and pot luck meals. Book studies, and active recreational activities, such as walking, hiking, bike riding, and other fitness fun things the group chooses to do.

If you think you might be interested, come to a Gathering at Jan Lowe's home on May 14, 6:00 p.m. We'll get to know each other and plan the next few events. Appetizers and Light Buffet will be provided. Call Jan at 531-0381 or email at jan@lovelearnlead.com if you can come, or if you want to be included in future events.

~ THANK YOU ~

SPECIAL THANK YOU!!!

Without the help and consideration of the following, the 2011 Masters Final Round Pizza Party would not have been possible:

- Verle Shoemaker, Chet Campbell, and Ed Jenner for donating "Closest to the Hole" Pizza Certificates;
- Papa Murphy's Take and Bake Pizza for allowing the use of these several certificates to help control the total cost;
- Troy Jorgensen for providing the expertise in running the technical equipment to view the game; and,
- Lastly, but by all means not least, Verna Bottjen for baking the pizzas and assisting with party set-up and organization.

I am sure that everyone had a good time and took the opportunity to fellowship with other members of God's community. I sincerely thank the above listed people for helping make the party a success. And finally, I thank God for providing everything (people, skills, financial resources, technology, a comfortable facility etc.) required to host and enjoy this event.

Darrell Bottjen

Much appreciation goes to the dedicated Music Department members for the wonderful music they provided for the many services during Easter time ~ and for their consistently professional performances week after week during the year.

Many thanks to Sandy Fitch and Verna Bottjen for delivering the Easter Lilies and making the beautiful silk arrangements for Easter Sunday.

My family and I would like to thank First United Methodist Church Bella Vista for the wonderful experience of ministry that we have shared with everyone over the last year during my part time appointment. The opportunity to be in ministry while attending seminary has been instrumental in my growth as a person and as a pastor.

It is also a blessing that I will soon complete my seminary studies and receive my Masters of Divinity from Saint Paul School of Theology. Commencement services will be held on Friday May 13, 2011 at Church of the Resurrection in Leawood, Kansas at 4:00 p.m.

Shalom,

Pastor Lee Myane ~
