FROM THE PASTOR'S PEN

November and December are upon us along with all the joys, stress, confusion, longings and sometime loneliness. How can we "keep Christmas" at all stages of our lives? Many people celebrate Christmas, even if they do not celebrate Christ. The deep living that should come from Christmas may differentiate a Christian Christmas from a secular Christmas.

I am writing this in November because Advent starts the last weekend in November.

I have a challenge for you:

Name 3 things you /your family should do differently this Advent season, substituting things that bring renewed hope and faith, rather than depleting energy and bank accounts. Work with friends to identify the substitutions. Chances are, friends may remember even better from past years what was exhausting. Together, encourage one another to press on toward the goal.

For example: "Instead of spending all day Saturday shopping for the perfect gift, I will spend Saturday morning having coffee and devotion with someone for whom I've not made time lately."

Or, " I will spend time with my children to help them develop a common wish list." By promoting a common wish list, children will be encouraged to negotiate with one another in individual desires, spend time together and share their gifts.

Make an Advent wreath for the home. I/we will read a daily meditation and light the candle. It just so happens we are having a "making-an-Advent-wreath" night: Wednesday November 17 at 6:30 p.m. in Becker Hall. Please call the church for reservations.

Let's not forget Thanksgiving, but let us truly set the stage to "Keep Christmas" this year!!

Pastor Sara

The Annual Charge Conference comes early this year: Sun. November 7 at 3 p.m. in First United Methodist Church in Bentonville.

CHILDREN'S MINISTRY

Another annual trip to the corn maze is done! What an amazing time for everyone, the tall and the small. We answered some tough questions in the corn maze and reaffirmed that God is ALWAYS the correct choice. We spent amazing fellowship time getting to know each other and making new friends. I am already looking forward to the trip again next year!

We had our first 5th and 6th grade club meeting! They will be meeting the 1st Friday of each month from 6:00 p.m. to 8:00 p.m. in room 23. (We still need a name for this club so if you have any ideas email them to me at cjdrish@gmail.com) It was very nice to have 3 girls and 3 boys. I think that these boys and girls are really going to learn a lot about God, social issues, and maybe even about themselves. They are going to be facing some new issues in school and I pray that God will be so overwhelmingly in their hearts that He can shine through as they make difficult choices.

We will be starting another wonderful family tradition this year. We will be meeting on Wednesday November 17 at 6:30 p.m. to make Advent Wreaths. These wreaths will be an amazing addition to your home for the advent season. This is open to everyone who wants to participate! Because we need to pre-order the candle holders and candles we will need you to pre-register no later than November 1. There is a \$10.00 fee to cover the cost of the supplies that can be paid either when registering or on the day of the class.

Be on the lookout for the Christmas play practice information that will be coming out very soon. Jessica and Jon have been looking for a great program for our kids! The program will be held on December 19 at 3:30 p.m. in Becker Hall.

Until next month God bless!
Carrie

CROSSWORDS YOUTH

We have had a wonderful time so far this school year. In September, several youth attended the "See You at the Pole" Rally that was held at Memorial Park on September 21. It was sponsored by Area Wide Youth Director Network. I ran the giant inflatables that night. Thank you to Jill Patterson and Kirina Kelly for carpooling kids over and helping chaperone the event with me. There was free food, inflatables, a band from a local church, and Aaron Barbor from Exago Ministries who led the message and prayer for the night. Several youth won prizes that night and Kaci was chosen to be the hostess on stage for the drawing of the itouch that was given away that night. The kids LOVED the event and we all had a wonderful worship and fun time together.

CrossWord will be having a "Frightfully Fun Night in Faith" on October 27 when we attend the Right Choices Corn Maze. They are looking forward to going.

Mission trip news - We are gearing up for our first fundraiser for our Mission Trip 2011. We will be hosting a Christmas Parents' Shopping Day/ Kids' Fun Day on December 11 from 9:30 a.m. to 3:00 p.m. MANDATORY youth/parent meeting regarding this fundraiser/event is November 7 at 10:30 a.m. immediately following Sunday School.

CrossWord will be sponsoring a tree in Bella Vista's Festival of Trees this year. Our tree will be at the Wall of Honor and our lighting ceremony will be on Sunday December 5. Please plan to come and support them that day.

EDUCATION

WOW Wednesday Update

It appears that our WOW Wednesday efforts are finally succeeding! After a sluggish start, the "Wednesday Night Alive!" program is now doing better than expected. In fact, the "One-Time Program" format seems to be quite popular. Each session seems to be drawing more and more people, so many in fact that we've had to go to a larger room than initially planned. We've met in the Chapel, Becker Hall, and even the Sanctuary. And we still have some exciting programs left on the Fall Schedule. If you want to get in on the fun, and educational experiences, please check with the Office on upcoming Programs so that you can sign up for one that interests you. Also, there is still time to get into one of the ongoing classes. Please sign up for any of the classes in the Office now!!

"Wednesday Night Alive"
Wednesday 6:30—8:00 pm

Choose the one-time topics that interest you and register at least one week before, so we can schedule rooms.

We were unable to honor members of the City's Police and Fire Department at our October dinner meeting because the Police Department was busy with traffic control at the Craft Festival. They have assured us they will be there at our next regular dinner meeting on November 10. Papa Mike will be serving Baked Ham and sliced pineapple as our entree. Circle the date on your calendar and be sure to make a reservation when the call comes through the Phone Tree - probably November 3.

MISSIONS

MISSION OF THE MONTH

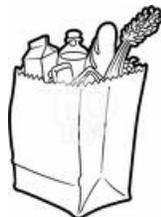

Havenwood helps support women by assisting them in giving their children the best opportunities

possible and preparing them for becoming caring, functional, compassionate and productive citizens. You can help make this possible by supporting this program, which provides low-income housing including utilities, help with supplies and toiletries, counseling and case management designed to assist women in meeting their goals.

These goals might be as critical as earning GED's, getting a driver's license, learning to apply for a job, managing finances, getting medical needs for themselves and their children taken care of, providing for appropriate day care, learning parenting and how to provide structure and appropriate discipline; all basic needs that we take for granted. But for these families, it often starts here. We get them when they're down and often homeless, with small children in their care, often with no family or support of any other kind. And we help them get on their feet and walking toward self-sufficiency. Havenwood is your opportunity to participate in children's lives right here in your own community, and enrich not only their lives, but the likelihood of making our community richer through making families more self-sufficient.

Pak A Sak

Our collection of food for November 14 will be delivered to Oasis Food Bank in Bella Vista. They are in need of all types of non perishable food items. This food bank is helping many families in Bella Vista who are having a difficult time making ends meet in this economy.

Garland Spurgin Angel Food Ministry

Don't forget that Holiday boxes are available as well as the regular menu items.

November order deadline is Thurs. Nov. 11 with distribution on Saturday November 20.

Anyone who places an order in October and November is entered into a drawing to receive the Thanksgiving Box to be delivered at the regular distribution.

The Church Angel program continues to assist four to five families each month due to the generosity of our members. Any donation toward a unit of food is acceptable. We request help in identifying those who need the assistance of food.

For info contact: Marion Korn at 855-3302, 426-5241 or plantdoc@cox.net or Trudy Baird at 876-2112

Everyone who makes an Angel Food order in November will automatically be entered into a drawing to receive a **Thanksgiving Box** valued at \$36 to be distributed at the regular distribution on November 20.

Each month's order entitles you to one entry. No sign up necessary. Winner will be notified by Sunday November 14.

Angel Tree

We will again this year be helping to make Christmas brighter by taking names from the Angel Tree and filling some requests made by a needy child or adult. The tree will be just outside Becker Hall during the month of November.

Goat Bank

The Goat Bank will be in Becker Hall in November.

The goal is to fill the bank twice so we can purchase two pigs from Heifer International. Somewhere in the world a family will receive the pigs and be trained to raise them and have little piglets. Two new piglets will then go to another family so they can continue to benefit from our gift. That is the wonderful truth about the animals from Heifer International. They are a gift that truly keeps on giving. Please bring your quarters and help fill the bank. God will bless each gift and each giver.

BRIGHT IDEA

The Pak a Sak program has made a special effort each year to provide ten to twelve Thanksgiving Dinners for families in the Baker Elementary School and an equal number of hams for the Gravette Grade School Christmas food drive. We have also been able to buy food gift cards for the residential facilities to provide special food items for their Christmas celebrations.

The funds for this project have come from members who, instead of bringing non-perishable food items monthly, give money for the purchase of food items. A cash contribution toward this special project can be made to the church – just note Pak-A-Sak in the memo section of your check.

At this time of year let us share our **THANKSGIVING BLESSINGS** with those in our community who are in need.

VOLUNTEERS IN MISSION

The United Methodist Church is at the forefront of providing care, sustenance and nurturing for people in need everywhere in the world. The Arkansas Conference of the United Methodist Church is very active in its Volunteers-In-Mission (VIM) Program providing volunteer teams led by trained individuals anywhere in the state, region, nationally, and internationally whenever disaster strikes. Putting our faith into action is at the very heart of our Christian calling. Through VIM, every person in the church has the opportunity to serve and live their lives more faithfully. When you reach out and use what God has given you, you will experience a profound life-transformation.

The planned Volunteers-In-Mission trip to Sager Brown UMCOR Depot in Baldwin, Louisiana the last week in February, 2011 is very much on track. Initial paperwork and a cash deposit have already been submitted and a training session will be conducted in mid-November for those planning to go. The 14 people currently signed up to go are Ed and Barbara Jenner, Jan Lowe, Diane Cox, Ralph and Mona Johnson, Darrell and Verna Bottjen, Jim and Sue Prather, Keith and Lynn Prueitt, and, just recently added, Dee and Suzann Wresche. We also have two more couples who have put their names in reserve should openings happen; Chet and Cheryl Campbell as well as Marlene Clapp and Jerre Barron.

We realize that not everyone is physically capable of handling the rigors and work demands of some of the mission trips. However, everyone can be of great assistance to the VIM program by providing funds to offset the costs of a trip, which can be extensive. The planned trip to Sager-Brown will cost each individual \$205, not including travel costs, and all expect to pay that; however, donations received to offset those costs would be greatly appreciated. There is an account maintained by the FUMC Bella Vista Finance Office for VIM needs. If you wish to participate, please make out checks to Bella Vista FUMC with "VIM" written in the lower left hand corner.

THANK YOU

I would like to thank all of you that sent cards, cooked meals, and made phone calls after my hospital stay. Thank you so much, I am thankful for a caring Church family. *Dixie Young*

The Church's Music Department wants to offer a rousing "Thank You" to everyone who helped to make "Music Appreciation Sunday" so special for us. The worship services were very meaningful as we, together with the pastor and those in attendance, renewed our pledge to minister to the congregation through our music. All of us are fortunate and extremely grateful to be associated with a church that is so "Care-full" of its musicians.

We would like to offer special thanks to Sandy Fitch and her helpers for the wonderful brunch that they prepared and served to us on "Music Appreciation" Sunday. Musicians, like the proverbial armies, are well-known to "Travel on their stomachs," and I might add that "Well fed is well sung."

On behalf of all of the church's musicians, thank you for your appreciation of our efforts. *Larry Zehring*

I want to thank all of you for all the prayers and concerns during my stay in the hospital, especially for the visits from Rev. Sara and Jan Lowe.

I want also to thank you for the prayer shawl which Rev. Shoemaker brought to the hospital for me. It's so warm and comforting.

I will miss you all as I make my new home in Ohio. You've been a part of me for so long - I'll never forget you. I'll think of you all often with love. *Vera M. Jondle*
