FROM THE PASTOR'S PEN

Over the next few weeks our sermon series will be on the Book of Philippians. It is Paul's most personal letter and his happiest. As Eugene Peterson says in his prologue to this Book: "Paul's happiness is infectious...But happiness is not a word we can understand by looking it up in the dictionary. In fact, none of the qualities of the Christian life can be learned out of a book. Something more like an apprenticeship is required, being around someone who out of years of devoted discipline shows us, by his or her behavior what it is."

Paul is such a master. During these times of fear of economic upheaval, terrorist threats, children's safety, aging bodies and bank accounts, Paul can teach us how to be happy no matter what the circumstances. Christ's happiness depends not on what happens on the outside, but on the growth occurring on the inside. That is why He came to walk this earth in physical body: to grow our souls. After all, that is the only thing that goes from this life to the next.

The Book of Philippians is really about personal freedom; freedom from fear, freedom to choose happiness, to be happy. Not that we avoid, as someone who does not experience the world, but as one who experiences the world *through* the presence of our Lord Jesus Christ. As we are changed so is the world around us.

What blessings God has waiting!!!!

May you know the blessings of God within you.

With much Love,

Pastor Sara

CHILDREN'S MINISTRY

Well, summer is now over and the children are back in school. It is always a very bitter sweet time for me. I really enjoy the time alone, but I sure hate seeing them grow up.

Speaking of school I would like to say a HUGE thank you to all of you that donated school supplies! I took your generous gifts to Glen Duffy Elementary School in Gravette and gave them to the counselor, Barbara Roberts. She was so very grateful for our consistent support. Not just with these school supplies but the hygiene items and the rest of the mission giving that touches their school. It is nice to know that our reputation precedes us! Thank you again for your unselfish giving.

We will also be starting a club for our 5th and 6th graders. This is a group meeting that will be held once a month for the children to begin to prepare for youth meetings. In this class we will be discussing social issues and choosing God's path during this changing time. There will be a mandatory informational parent meeting. You will get a letter as to the date and time of this meeting.

Following along with this club, we have been invited by Bentonville First United Methodist to take part in their "Created by God" Human Sexuality class on January 7-9. I will have information for this class at the parent meeting.

We will be making our annual trek up to the Right Choices Corn Maze! I really love this place! This year it looks like we might be able to make some corn brooms along with all the rest of the fun. Pre-registration for this trip is mandatory. Registration deadline is October 1. I will be buying the tickets that day! So if you or your children would like to attend, you can register online at <http://bv1stkids.blogspot.com/> or by contacting me either by email cjdrish@gmail.com or phone 426-5136.

Trunk or Treat is coming hauntingly fast. There are collection bins in the Narthex and Becker Hall for candy. If you would like to help with this event please contact me anytime. I promise not to bite..... Please remember to keep the children in your prayers and remind them (the children) to pray for our church.

Have a great month!
In God

CROSSWORDS YOUTH

Youth Sunday classes and youth group are back in full swing this Fall. We are wrapping up the Old Testament and starting the New Testament in Sunday school in late September through October.

In youth group, we are in the process of getting A/V training for some of the youth and getting our internal ministries set up (A/V, Music, Prayer, and Missions) to begin to lead each other in worship at the start of their youth meetings now being held in Becker Hall.

On October 6, we will kick off the month with a movie night watching *Letters to God* and then work with lessons from *Scary, Gross, and Weird Stories from the Bible* through Halloween.

The second Wednesday of each month, the youth are having Drama, Dance, and Mission nights downstairs. Katie Anderson is leading an hour of drama rehearsals working on the Children's rotation story and other skits that will be performed periodically throughout the year. Kirina Kelley is teaching a youth-only liturgical dance class for an hour after Drama. Those that are not involved with drama or dance can work on a mission project. Our next Drama, Dance, and Mission night is October 13.

On September 8, we helped Shoebox with bagging baby wipes. Dixie Young is still in the process of beginning a UMW Teen Circle and some youth that are available will be helping at the Bazaar.

We are just finishing up a successful service project organized by Char Burbee in partnership with Lowes and The Weekly Vista. We set up for collection of items for the troops overseas.

Many of our youth are involved in traveling soccer teams, band, orchestra, choir, school cross country teams, forensics team, and school drama. I will try to relay information on their accomplishments in the community. Hope everyone has a wonderful month and enjoy the turn of the seasons to my favorite season, Autumn.

Blessings,
Danette

The youth all hope that everyone has had a chance to explore their Mission Trip displays in Becker Hall that they worked very hard on. We will leave those up for a couple more weeks to give everyone a chance to check out the pictures and info from their trip.

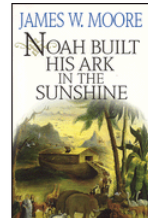

EDUCATION

NEWS FROM THE GOLDEN LINKS SUNDAY SCHOOL CLASS

We are starting a new lesson book, NOAH BUILT HIS ARK IN THE SUNSHINE by James Moore. The theme for this book is that Noah prepared in advance for the storm that was to come. He didn't wait until the last minute. How do we reach that level of spiritual maturity? This book helps us know how that kind of faith and spiritual maturity doesn't just happen overnight. We have to grow it! We have to work at the faith, practice it, express it, study it, share it and as we do, our gratitude will deepen, and our faith will grow.

We invite all to join us either part time or all the time to study this book. We meet Sunday morning in Room 23 from 9:30 a.m. until 10:30 a.m.

Dixie Young is the teacher with help from Tibbie Fitch.
If you have any questions call Dixie Young, 855-7106.

A Powerful Way to Help Your Church

The Church teaches that faithful stewardship of your possessions is an important part of discipleship. You work throughout your life to be a good steward of all that has been entrusted to you by God.

One of the most powerful and lasting ways of furthering the Church's mission is by making a gift through your Last Will and Testament. Your will becomes a continuation of the support you gave as a Christian disciple during your lifetime. But making a gift through your will requires planning now to ensure your wishes are carried out.

The United Methodist Foundation of Arkansas exists to assist you in giving to your local church or other United Methodist institution. For a brochure on wills, contact Foundation Vice President of Development Janet Marshall at 501-664-8632, toll-free at 877-712-1107 or jmarshall@umfa.org.

UMW

Rummage Sale Success

Another Rummage Sale is completed with great results only through the combined efforts of many volunteers! Thanks to those who helped advertise the sale. To all the guys who sweated their way through the set-up and take-down. To those who brought items for us to sell. To those who baked cookies and cinnamon rolls & prepared the brisket sandwiches. Thanks!

And to the amazing ladies who cheerfully and efficiently prepared the items for sale and represented our church graciously to the great crowd that turned up for the "deals" and scrumptious food offered. With exact figures still outstanding, we can say that we cleared right around \$2,700 to be used for missions.

A big THANK YOU to all!

MISSIONS

MISSION OF THE MONTH **Samaritan Community Center**

Samaritan Community Center is a faith-driven, non-profit organization founded 21 years ago with a strong commitment to "Breaking the Cycle of Hopelessness" in Northwest Arkansas. This commitment by the staff and over 250 dedicated volunteers is freely given to individuals and families regardless of their faith. In addition to offering a helping hand, Samaritan Community Center also believes in providing their clients with the guidance needed to navigate the path to emotional and physical healing.

Given today's economy, the center expects to serve over 100,000 of our Northwest Arkansas neighbors this year. This is a 53% increase in clients in just 2 years. The center's waiting room is filled with clients young and old, employed and unemployed, healthy and sick, married and single - Most of whom have never before needed this level of personal assistance.

With the needs of their clients in mind, the Samaritan Community Center has offices in Springdale and Rogers and operates a Thrift Store. In addition, the center operates a soup kitchen, a food pantry and provides counseling services. For many of the clients the Samaritan Community Center serves, the most important thing offered is hope. Hope is as individual as the clients - for some it is a meal, for others a smile, and for many it's spending time in an environment where they are not judged, but loved without condition.

Shoebox Ministry

We so appreciate all of the donations given to Shoebox as the September "Mission of the Month". These donations make it possible to purchase items needed that are not received through regular donation.

Boxes Delivered

122 shoe boxes were delivered this last month along with 53 Sunshine Sacks to Cooper Elementary for the start of the school year. Our delivery total that we report is usually a month behind as we deliver after the due date of the newsletter.

Volunteers

A big thank you to Danette Baker's Wednesday night youth group for packaging baby wipes to use in the baby boxes. Volunteers be ready, as we will be packing this month!

Blessings

Thank you to Mike & Mary Patrick for their donation of packing items in honor of their wedding anniversary.

Needs

Disposable razors, gallon size zip-lock bags, regular size bars of soap and regular size toothpaste.

Large Shoe Boxes

We are full up and NO LONGER need large shoe boxes. They are only used for special packs such as Youth Bridge. If used for a regular (such as boy's or girl's) box, the items slide and bottles can leak or crackers can be broken.

As always in His service,
The Shoebox Ministry Team

BOARD OF DIRECTORS REPORT

This has been a very busy summer for the Board of Directors, some of the items that the Board has been dealing with are:

The kitchen updating is nearly completed. This included a new stove, painting the walls and cabinets, adding additional electrical circuits to allow more usage of outlets in the kitchen area and replacement of the wooden cabinets in the coffee room with a stainless steel cabinet. Yet to be completed is building shelves in the coffee room, replace labels on the doors and drawers in the kitchen and replacement of the warped exit door in the kitchen. The upright refrigerator in the kitchen failed and had to be replaced. The faucets in the large sink in the kitchen also failed and were replaced.

All the fire extinguishers in the church have been brought up to date.

Three members of the Board attended Early Response Team short course to increase our ability to respond to emergencies in either our church or the surrounding area. Another course will be taught soon at the Highlands United Methodist Church. When the date has been finalized, an announcement will be sent out and additional members will be trained. Our church should have at least 12 members trained and prepared to assist in an emergency.

The church staff has been trained in CPR and rescue breathing.

A concerted effort is underway to clear any unneeded or unused items from the church. If you know of anything that falls into this category, please notify any Board Member.

We recently reached a milestone, of sorts, the church has gone over 4 months without an air conditioning failure.

Our on-going problem with bats continues, but I believe we are getting closer to a solution to the problem.

We have had two small water heaters fail in the last few months and have had them repaired. Many other items have been addressed and replaced or repaired as needed.

Our church is slightly over 30 years old and, as a building ages, it requires maintenance and repairs. The Board of Directors appreciates the help of all members in notifying us of problems that arise in the church infrastructure that allows us to have them repaired before they become too large.

Steve Larsen
Chairman
Board of Directors

Editor's Note: The Board of Directors is charged with taking care of the "physical" plant of the church - the building and contents, and the grounds. If you notice something that needs attention in the building, please stop by the church office and let the staff know so the board can address the issue.

Thank you, Steve, and your team for all you do for us!

THANK YOU

Ray and I wish to thank all the kind friends who sent cards and clippings helping us celebrate our 55th wedding anniversary. We feel blessed to have received them and the wonderful e-mails and phone calls.

We wish to say thank you to our friends and all the groups of our United Methodist Church: Those who prepared and served the luncheon before the Memorial Service and all who assisted with the Reception, the thoughtful cards, prayers and expressions of sympathy. Our special thanks to Pastor Sara for the special arrangement of Bill's stole, Bible and Ordination papers on the altar. We are grateful for this wonderful church.
